Plein Air Instructions:

Stop in at the Gazebo in the middle of town, behind the coffee shop, to get your canvases signed. You cannot turn in completed canvases that have not been signed. As you probably already know, this insures that you began with a blank canvas at the beginning of our event. If you want to prep the canvas before, of course you can do that, but just no painting early.

Painting is from 8-2pm only. Please abide by those times. We give you from **2-5pm to frame your work.** Please make sure you work is turned in prior to 5:00pm. No other work will be accepted. Judging will take place Saturday evening and the show will be hung. All paintings must be framed and ready to hang when turned in. Unframed and non-wired paintings will not be accepted.

**Sunday, June 13, 2009, 9 a.m. – 1 p.m.
Champagne Reception, Awards & Art Sale**

The Champagne Reception will be held at the Quiet Creek Inn. Ribbons will be given out as well. **Art can be taken home after 1:00 when the show closes. Art may not be left after 2:00 p.m. on Sunday.** Please make sure you have made arrangements for someone to pick it up between 1-2 p.m. if you are not able to take it with you.

We will place you on a map that will be given out to the public. We encourage creating your artwork near the heart of the village, or in easily accessible areas so the public can enjoy watching your talents. The more they see, the more they are inclined to purchase. If you have any questions, please don't hesitate to shoot me or James an email, or give me a call at the numbers listed below. We also encourage you to bring one other previously created piece of artwork to show and sell at the reception, but not required.
